Barristers' Creme Brulee

We make our own vanilla flavoured creme brulees which are glazed just before serving. Be wary, while the sugar coating may be very hot, the vanilla custard can be refreshingly cool.

Ice Cream & Barristers' Hot Chocolate Sauce

A generous portion of ice cream with your own copper pot of our decadant hot chocolate sauce. BARRISTERS' famous ice cream and hot chocolate sauce has been on our menu without interruption since we opened in 1980.

Cape Malva Pudding

Malva Puddings are hot, sticky and succulently sweet, with a melody of spicy flavours. Barristers' home-made Malva compliments our grills and is the perfect way to end a wonderful evening.

Peppermint Caramel Delight

Our Peppermint Caramel Delight is fresh, cool and prepared every day by our Pastry Chef, just for you!
